

HIKKADUWA EXCURSION
SRI LANKA

DAY 01

After breakfast – transfer to Kosgoda/Bantota to visits the Turtle Hatchery rescue centre. The journey will take less than 2 hours.

Turtle Hatchery centres are a turtle conservation centre which breeds young ones of this endangered species and then releases them in their natural environment that is into the sea. When you visit this place, you get the rare opportunity to witness the breeding and hatching process of turtles as well as their journey from the land into the sea. A visit to the turtle hatchery in Kosgoda is most interesting things to do in Colombo, Sri Lanka

Hikkaduwa is one of the most popular beach on the west coast. Hikkaduwa is popular for its coral reefs and the fascinating underwater world off the shore. Glass bottom boating is a popular activity among the visitors where visitors can see large coral reefs with many fish species in the shallow water.
